The club have won several trophies in recent months - not least the Western League trophy. When you're next in the clubhouse, have a look at the base of the cup - you might be surprised which other clubs have been presented with this over the years !

You may see a new logo on the shirt sleeve this season.

We have teamed up with the prestigious TOVO Academy - formed in order to teach Total Voetball in the style of the legendary Johan Cruyff.

Media Coverage

This coming season will see the club featured across several media outlets. We have secured a regular slot for our match reporter Pablo Woolls-Blanco on the Rappo + Deacs podcast, which is released every Friday morning. Pablo will also have a regular reporting duties for BBC Radio Cornwall on match days, both home and away. We're also featuring all of our goals this season on the Southern League Goals Show which is released every week on a Thursday. And keep tuning into Coast FM on a Thursday for regular reports on the club.

Ground Grading

Ground Grading it's a term we all be very much coming to terms within the next few months. With promotion comes increased responsibility and this is particularly relevant to improvements of the facilities around the ground. These will include, among others, more covered and standing seating – including a new stand. Requirements for the size of dressing rooms, changing facilities potentially for male and female match officials, designated seating for visiting directors and media, a separate hospitality area for visiting officials.

A lot of work has been going on behind the scenes for planning for these changes and Football Foundation grading visits will be taking place in the next few months. We will keep you posted on the developments as we get them.

TNT SPORTS TO FEATURE CLUB

TNT Sport (formerly BT Sport) are to air a half-hour TV show based at Mousehole AFC. The show takes the form of a standup performed by Andrew Mensah (pictured above). Andrew, plus camera crew, will be based at the club on 5th and 6th September, with the standup recording in the evening of the 6th. Ticket details will be released shortly.
